Re: committee Bill 5144

I'v Been it this Program

My Name is Emeri Smith two and half yrs. Its very helpful to me and my family. With the high Price of dipers and Clothes their very helpful and they Provide these things to me and Others in this Program. They also Provide us things Other than Clothes that I may need for my Child. They bring Activities for me and my daughter to see where her developments are for her ages. We also have fun activites like Christmas partys field trips and Summer activites I like the people their friendly I made friends their so Please don't cut this Program.
