***"AN ACT CONCERNING REVISIONS TO THE PUBLIC UTILITY STATUTES."***

---

After the last section, add the following and renumber sections and internal references accordingly:

"Sec. 501. (NEW) (*Effective July 1, 2005*) Notwithstanding the provisions of chapter 277 of the general statutes, the Department of Public Utility Control shall, on or before September 1, 2005, conduct a contested case proceeding to establish two zones in the state to allocate (1) federally-mandated electric transmission congestion costs to the consumers in the zone where the costs arise, and (2) the costs of new transmission projects to the consumers in such zone where such projects are installed."
