Re - Bill No. 1138 – Hearing Tuesday, March 19, 2013

March 18, 2013

2E Legislative Office Building, Hartford, CT

Send to – et.testimony@cga.ct.gov

I am sending this to voice my concerns regarding the above mentioned hearing – Bill No. 1138. My name is Robert Macri, Renewable Energy Specialist at Macri Roofing, Inc. I oppose Bill No. 1138 because of the harmful impact a redefined Class I would have on Connecticut's commercial solar thermal industry.

Thank you for your time.

Robert Macri
