
Dear Senator Fonfara

my name is Lourdes Perez and I am in the Program HFN Home Visiting this program mean a lot to me because they Help me teach me be a better parent been more positive and be more responsible with other things please dont cut the program because they Help a lot of parent to be more responsible take care better over children. they Help us giving things that we need like diaper and advice and coming with us to appt to make sure everything is ok with our children

Please dont cut the program because it mean a lot for me It Helpful for me to be a good parent.

Lourdes Perez
