Source: CCM Calculations

*Alliance District
**Revenue losses do NOT include motor vehicle tax losses.

Notes

1. The Governor has stated that, despite the changes to municipal aid, his budget proposal will hold all municipalities harmless. For CCM's analysis, however, the following grants are considered restricted revenue and are not included in the totals.
   - ECS increases are required to be spent on education, so these are excluded.
   - Adult Education is a reimbursement that gets directed to boards of education to cover a portion of state-mandated expenditures.
   - LoCIP and TAR are restricted to capital-specific projects and other uses and are not considered unrestricted revenues.
2. For this analysis, general fund revenue is considered to include the following:
   - PILOT: State-Owned Real Property
   - PILOT: Private Colleges & Hospitals
   - Mashantucket Pequot & Mohegan Grant

- Public School Pupil Transportation
- Non-Public School Transportation
- Priority School Districts
- DECD/DOH: Tax Abatement
- DECD/DOH: PILOT
- Manufacturing Transition Grant
- Municipal Revenue Sharing Bonus Pool
- Hold Harmless Grant

3. The Governor's FY13 budget rescissions and the General Assembly's FY13 mid-year budget cuts would be continued into future years.
4. The PILOT: State-Owned Property grant, established in 1969, is eliminated from statute. The FY13 grant amount that each municipality received will be paid as an additional ECS grant in FY14. This portion of the ECS grant can be used to supplant the municipal appropriation to boards of education or for other purposes and will not be subject to the Minimum Budget Requirement in FY14. OPM Secretary Barnes testified that the intent is to treat the PILOT funds as ECS funding after FY14.
5. Governor seeks expanded rescission authority to include 5 percent in unilateral cuts to "municipal aid." H.B. 6533 (Section 1, b, c, and e) would repeal "aid to municipalities" exemption from rescission authority.
6. Governor proposes eliminating the motor vehicle property tax on vehicles assessed at $20,000 (full value of $28,571 or less), except for rental cars, beginning in FY15. Projected municipal revenue loss is expected to exceed $520 million. Governor's proposal would make such property tax exemption available by local option in FY14 (S.B. 843, Section 17).
