
Dear: Senator Fonfara

My name is Julica Sierra im in the home visiting program this Program teached me alot of my daughters development, the supported me throughtout my pregnancy they've helped me alot. Their always their for me when I need them, and helped me find a good school for me two go back and finish my high school diploma. Whenever I need something for my baby like diapers, clothing, or books two read two my baby they'll always bring me some. Please don't cut the program this means alot 2 me they've helped me so much I appreciate everything they've done for me.
