Bill No. 5144

I think that you should keep this program open. I am a single mother and this program helps me out alot. They helped me and my daughter out for christmas the gifts ment so much tome. I Live with my parents and have a small part time job and could not give my daughter all that i wanted so it helped alot. also i am going threw alot with my Daughters father so having a visitor helps me to show that i am doing a good job and to keep going forward and offers alot of emotional support. I think it would be a mistake getting rid of it so please for all of us mothers and kids keep it open.
