To whom it may Concern,

I'm writing this letter regarding the funding for the dial a ride bus. This transportation is desperately needed for all seniors. We rely on the bus for trips to doctors appointments, shopping, and just to get to the senior center for a hot meal and some exercise. At this stage in our life most of us don't drive and our families have families of their own and working full time. Without the dial ride we would be distitute.

Please reconsider this funding as it is very needed.

Thank you -
