Good after noon

I'am Calvin Bunnell retired steelworker and President of Connecticut alliance Retired Amerecans. I am here to explain why I hope you will pass the SB 258 bill.

I am here for a lot of my members that have their medicam cut off and some of their trements also cut off with out and rime or reson one Cancer treatment stop because they have reach their goal and this is happending all the time. I am for any bill that would make insurance Companies show where their expenses dictate or demand such rasies in payments. I want to thank you for your time.
