Esteemed Legislators:
My name is magda posso and I am a participant in family life education in Hartford, an agency that receives funding for programs from the children's Trust fund. The reason for my letter is to ask to "NOT cut the funding for the children's trust fund" because this would negatively impact many families in our agency.

Please do not cut the funding for the nurturing families program at our agency and other agencies because during these times, we need all the help we could get from these programs to keep our families healthy and away from abuse.

thank you for your time,

Magda posso
