Esteemed Legislators,

My name is Evelia Rojas and I am a participant in Family Life Education in Hartford, an agency that receives funding for Programs from the Children's Trust Fund. The reason for my letter is to ask you to NOT CUT THE FUNDING FOR THE CHILDREN'S TRUST FUND because This would negatively impact many families in our agency.

I Participated with Narturing Families Program in 2010 and I learned very much about how to work with my children, and I feel that I am doing a better job with my Family.
Thank you Nurtiring Parenting

Please do not cut the funding for the Nuturing Families Program at our agency and other agencies because during these hard times, we need all the help we could get from these programs to keep our families healthy and away from abuse.

Thank you for your time,

Evelia Rojas
