Dear · Daniel Malloy

I am Kimberly Ortiz and I'm writing this letter to express the reasons I would not like to see nurturing families close Because:

- has helped me in parenting my son
- they have helped with resources in the community. Also helped me to return back to school.
- I belive that having nurturing Families has giving me a Know ledge of How to under stand my son development behavior an other issues.
- Nurturing Families is one of the best Program in Hartford.
- There are many young mother that need this program and it help out to stop Child abuse.
