My name is Naomi Vega and I participate in the nurturing families home visiting program in family Life Education in Hartford ct for almost 2 years. every week, Normita Martines visits me and my son to educate me on how to better parent my 1½ year old son. I write to you so you do not cut the funding for the Children's trust fund because this is a great and effective program.

This Program has helped me.

To understand my son's development not to hit, spank, or yell at my baby & to stimulate my son so he can learn more and be smater. etc...

If this program's funding was cut... I wouldn't know how to manage my son's mishehavior;

I wouldn't have enough diapers so I would have to take money for other things like food to buy diapers. etc...

Sincerely,

Naomi Vega
