Dear Mesdames and Messrs.:

Pursuant to C.G.S. Section 3-37(b), please find attached the monthly report for March 2014, which provides certain information regarding the State's cash position and bonding.

The report for March 2014 shows solid overall cash balances. Even with the recently released consensus revenue estimates and OPM's reduced surplus estimate for FY 2014, our current cash position, as of April 26, 2014, is strong, with total available cash equaling $2.7 billion and the common cash pool (which covers operating expenses) totaling $1.6 billion. No transfers between bond proceeds investment accounts and the common cash pool have been necessary since April 2013.

As always, I will keep you updated on developments with our cash flow. In the meantime, should you have any questions, please feel free to call on me.

Sincerely,

Denise

Denise L. Nappier
State Treasurer
