I'am writing to you to let know how I feel about my hour being cut and wages being cut my name is Charlika Martin and I'am a Direct CARE worker at ASI I work full time 2nd Shift. I worry about my hour being cut to 30hr hour because when I will lose my benefits, It effect my life because I would have to pay medical benefits my life would be turned upside down because it put me in danger of not being able to make my car note and to live comfertable. This effect my Client because the wont recieve the proper care they ~~deser~~ deserve and what they are intitled too. So please restere and Count sending to the Not for - profit Safety Net

Sincerly,
Charlika Martin
