CIA Undergraduate Scholarship Program For Minority Students

The Undergraduate Scholar Program was developed, in part, to assist minority and disabled students, but application is open to all students who meet the requirements.

The program offers unmatched experience. You'll complete work sessions during each summer break, increasing your knowledge and job responsibilities while assisting intelligence professionals and applying your academic skills. We believe in challenging our Scholars with meaningful work that relates to their college major. An IT major, for example, might be given increasingly complex projects involving sophisticated computer systems. An engineering major might help produce a piece of state-of-the-art equipment. A finance major could be involved in developing and analyzing budgets for a worldwide operation. A foreign language major might be instrumental in translating documents for US policymakers. As a final example, a human resource major could have the opportunity to develop and implement personnel policies and procedures.

Award Amount: Up to \$18,000

Deadline: October 15, 2009

Coca-Cola Scholars Program

Seniors in high schools throughout the United States who meet the eligibility requirements may apply each year for one of 250 four-year, achievement-based scholarships.

Approximately 2,200 applicants will be selected as Semifinalists in mid-November and notified by mail and email. Semifinalists must then complete a secondary application, including essays, official transcripts, and two letters of recommendation.

Semifinalist applications will be due by mid-January. Our Program Review Committee will select 250 Finalists to advance to the final interview phase. Notifications are sent mid-February.

Award Amount: \$10,000 - \$20,000

Deadline: October 31, 2009

Beacon Partners Healthcare IT Scholarship

This program, established to advance the field of Healthcare Information Technology, is awarded to a student pursuing a degree (Undergraduate, Masters or Ph.D) in the IT Healthcare field. In addition to the scholarship award, the winner will also receive an all-expense paid trip to the Annual HIMSS Conference and Exhibition. The applicant must be a member in good standing of HIMSS. The primary occupation of the applicant at the time the scholarship is awarded must be that of a full-time student enrolled in an accredited undergraduate, Masters or PhD program related to the healthcare information management systems field. The specific degree program is not a critical factor, however, students enrolled in a MIS or Healthcare Administration-like program highly preferred. Undergraduate applicants must be at least a first-term junior when the scholarship is awarded.

Deadline: October 31, 2008

Award Amount: \$7,000
