Appropriations Commitee Testimony
Legislative Office Building, Room 2002
Hartford, CT 06106-1591

To whom it may concern;

I feel that the Strive Program of Connecticut is beneficial to the community because it gives people a second chance. I believe the program should remain funded because it is helping people who are unemployed obtain the skills the need to obtain employment. I am currently a member in the January class for the Bridgeport, CT office. Also they have an excellent program for ex-offenders to help them become productive members of society.

Sincerely
Dawn Marshall
