To whom this may concern

My Name is Anthony Bostick And Ive been Coming to the father hood program for about a month now. I think that this is a real good program and very helpful. The Staff here are very [illegible] and go the extra distance to help you if needed. I personally think that you really should consider keeping up a program in the state budget, because your not just helping the father your also helping the child as well. Thank you for your [illegible] the right choice.

Sincerely,
Anthony Bostick
