To Whom it may concern,

My name is Shane Knox and I am currently attending The Father Initiative Program in Norwich, Ct. I'm writing you today to support the Funding for this program. This program is giving me a great learning experience on how to be a better dad. Without This program I dont think I would have come this far to be the Father my children need. It would be a huge loss to Fathers around the state who are trying to become a better parent. Please consider to continue funding for this program. I thank you for your time and the program so far.

Thank you

Shane Knox
