To whom it may concern,

My name is Kristopher Meyer, and I live in Killingly, CT. I have been attending the 24/7 Dad program at Madonna Place since October 2012. I am a divorced father of three boys, and this program has been instrumental to me. It helps me continue to be the best father possible for my boys, even on a limited schedule.

The staff is always extremely helpful, positive, and willing to listen to any questions or concerns anyone may have. Many fathers count on these support/educational programs. Please reconsider cutting funding to the Madonna Place, Fatherhood Initiative, and Family Empowerment programs. I feel that more damage would be done by cutting these programs, than many would believe.

Thank You for your time,

K. Meyer
