To Whom It May Concern,

My name is Michael Saddler, I have a 10 year old boy named Kobie. I'm a recovering addict, and have learned numerous tools to be a better Father to my son since Ive started the 24/7 Dad program at the Madonna Place.

Ive learned that the Fatherhood Initiative and Family Empowerment funding might be cut. I believe that doing so would be a huge mistake, and it would be detrimental to me, the other fathers, and more importantly our children who benifit from having this Program available.

Thank you for your time and patience

Sincerely,

Mike Saddler
