Assaulted on June 07 2008
at 11:23 AM by DUI
Assaulted from rear at 80 MPH
by 67 year old woman, Barbra Preston.
I was stoped at red traffic light.
My auto was flipped over,
breaking traffic light.
Firemen had to rescue me,
by cutting auto roof off,
I was not breathing,
endotrachal tube was forced in me,
to give me oxygen.

My injuries include:
Trematic Brain Injury,
Right ear severed off.
Broken Jaw
Spinal Cord severely injured
Permantent throat damage
from endotrachal tube

The woman that assaulted
me was 67 years Old
With suspended licence for DUI
This is her 5th DUI arrest
Driving daughters car with only
20,000.00 liability insurance,
No assets,
Great fincial hardship on myself,
wife, son, and daughter,

I now receive
Social Security Disabilty = No Social Security
TAX Paid
I have a life sentence
I do not receive 5 days
off per month.
The woman that assaulted me
NEEDS to serve the
full PRISON sentence.
Which will never be
enough punishment.
