Dear Senator Meyer,

Please support raising the minimum wage in Connecticut. We both know that minimum wage jobs leave families trying to make a living below the poverty line. That extra dollar will go a long way for each worker in the state.

Gas prices, food prices, and taxes continue to rise, but minimum wage has not kept up with the cost of living. Many people work full time jobs yet continue to live in poverty. This is something we need to fix.

Senator, please stand up for workers and families in your district. Support raising the minimum wage.

Thank you.

Sincerely,

Jen and Joe Gnida
