Dear Senator Cassano,

On behalf of my family, I urge you to do the right thing by supporting raising the minimum wage in the State of Connecticut.

It is reprehensible that in a state w/ a cost of living among the highest in the U.S, ~~that~~ honest workers who are trying to make ends meet cannot do so. As the gap between CT cost of living and minimum wage widens the disincentive to work as opposed to going on welfare increases.

I trust you will support those who really need it.

Sincerely,
