1/29/13

Senator Cassano

I have attempted to provide for my family on less than the current $290.00 per week that an individual brings home working for minimum wage. I think that the minimum wage in CT is so low as we have one of the highest costs of living in the United States.

Please support raising the minimum wage so that everyone living in the state has an opportunity to provide for their families

Sincerely,

Joseph Anderson
