Dear Senator Doyle

My name is Vivian Dorfman - I'm a new mother who makes far more than 8.25 an hour. Yet when I look at how much things cost for my baby and my family, I wince.

I imagine what it's like for new mothers in your area who make far less than I.

Formula,
Day care,
Diapers,
Medicine.

It all adds up so quickly. I'm sure you see it when you go to the grocery store or gas station, too.

Can you really stand by another year and not do anything?

That isn't why we elected you.

Please do the right thing. Raise the minimum wage.

Vivian Dorfman
