Dear Senator,

Please consider supporting the raising of minimum wage. While there are arguments claiming such action may negatively impact the economy, it's clear that people making $8.25/hr is just not enough to live in the state of CT.

As a proud taxpaying worker in the state of CT, I want everyone to have an opportunity to not struggle financially when working full-time at minimum wage.

I hope you consider taking action to support the raise in minimum wage. Thanks.

Regards,
