Tarrance D Lawrence

To whom it may concern: My son Tarrance Detrell Lawrence has been ~~[illegible]~~ incarcerated since 1996 for the charge of Manslaughter. The judge sentenced my son to 36 years. This was my sons first offense ever and understand that what he did was wrong and that he needs to be punished. The sentence though seems to be a little long for the crime. He has gotten his GED while incarcerated as in currently enrolled in ~~college~~ GWA courses. He is a model inmate and also ~~[illegible]~~ tutors other inmates in the prison. I think my son is a good candidate for the early release program.

Thank you!!

Lou Lawrence
