Dea Appropiations Committee,

My name is Lucia Garcia and I participate in the family School Connection Program in Norwich. I am writing to request to please keep funding for the family School Connection program. I have been in this program for over 2 years and it has helped me with parenting skills, it has helped me become more involved in my childs education and helped me increase Comunication with my child's Teacher, This program has helped me during crisis by getting more help and involvement in my comunity; and helped me with my children's sucess in their education. Please keep funding for the family School Connection program.

Sincerely,
