Dear Appropiations Committee,

My name is Marleska Rodriguez and I am participating in the Family School Connection program. I am requesting that funding is kept for the family school connection program. This program has helped my family with my children's educational success. Through home visiting support I recieved gidance on the importance of the home and school relationships, this program has helped me get empowered not only with my child's school but in my comunity. Please keep funding for family School Connection.

Sincerely

Marleska Rodriguez
