This letter is in regard to:

SB650, An Act Concerning Temporary Restraining Orders, and HB 6848, An Act Protecting Victims of Domestic Violence. They are on the agenda as well as the Safe Storage bill, HB6962, An Act Concerning Firearm Safety.

As a concerned citizen of Connecticut and someone greatly concerned about gun violence, I support these bills. It is my position that these bills do not tread on an individual's right to own a firearm. While it may be an inconvenience to some, it is reasonable to have improved controls in place in order to potentially save innocent lives. These laws make sense for our state and its responsible citizens.

Thank you,
Mark Snyder
