my name is Rosemarie Clark I'm here
today to say thank you to all legislators
for funding this program. This program
has helped me and many other families
in so many was. on July 10, 2013 DCF
was involved in my life as a result my
daughter was placed with my parents and
the reunification started. In order for me
to get my daughter back I went to a
womens and childrens program, while I was
in this program I learned about
supportive housing. After finishing the program
on Feb 7, 2014 I was still going to
court and in March I was granted full
custody I was on the waiting list for
supportive housing at that time. I went
to stay with my parents with my
two daughters in October of 2014 and
supportive housing was informed and
that helped me get into my own
apartment on Dec 27, 2015. This program
has helped me budget money, help
when my lights were going to get
shut off also helped with child care
so I can go look for a job. when
I moved into my apartment I didn't
have a bed for my daughter and that
helped get her one.

They are helping manage my life with everything. I feel like a friend not a client, someone I can call on for help even if its just to talk to someone. This program has helped me and my family in so many ways I appreciate everything they have done and still do for me. Please take my story into consideration

Thank you
Rosemarie Clark
