Please support HB 5443 so that insurance companies cannot deny insurance based on breed of dog.
My condo complex recently passed an ordinance claiming that no condo resident can have a shepherd, pitbull, or other "bully" dog, citing our "insurance" policy. So because of such insurance discrimination policy, I am not allowed to own the dog of my choosing.
No residents have been bitten by such dogs.
Thank you very much for supporting Brenda Kupchick's great legislation.
Thank you.
