OPMAD

OPMAD is important to me because the staff watch over me when my mom is at work, they help me with my homework and we do different learning activities. They have kind of became family to me. We have a guy that comes to teach us science and math activities. We also do yoga to keep ourselfs fit.

Opmad is important to me because they help me with my homework. They watch after me when my parents are at work. Opmad has fun activities for us to play or to do. They provide food for us to eat. We get to have yoga, drama, swimming, science and math. It so fun to be there so get to talk to your friends and work with them.

Thank you opmad,

Why is Opmad is inportant

Opmad is inportant to me because you can play
different games and plus the opmad teachers
help you with Homework. And the
Opmad teachers are very very nice to us kids.
And are opmad teachers have a
Schule that when we go to the
gym and do fun fun activites and I
always enjoy them. And that we
can use electranics when
we are done with homework
and we have fun thats why I
Love opmad. And because they read
us. And because there are rules.

Why is OPMAD important to me

OPMAD is important to me because when my mom and dad are at work me and my parents know that im in a good enviorment. The OPMAD staff take care of us like if we where their own kids and thats what makes me feel safe. They also help me with my homework when I need help with it but if I was at home no one would help me because my mom wouldn't be there to help me. Also the OPMAD staff make you laugh when you are sad or when your bored.

Opmad is Importaint to me because they help me with my homework. When my parents are working they leave me here because they know I am going to be safe and taking care of. It is also Importaint because they treat you like family. When I get hurt they give me an Ice Pack. They are always there when I need them and they help me with me stuff these are my reason's.

I think Opmad is important because the staff treat us with respect and if students parents are at work they can be safe.
Another part of opmad that I think is important is dinner. Dinner is important be cause lunch was hours ago in school and you don't have to eat at home
