ACES HIGH
R.V. PARK

Dear Chairman Cohen, Chairman Gresko and Distinguished Members of the Environment Committee,I am writing in support of House Bill No. 5145 - AN ACT CONCERNING THE USE OF PORTABLE WASTEWATER CONTAINERS."

At this point, use of blue boy tanks is approved in state operated campgrounds but not in private family campgrounds in Connecticut. This has resulted in numerous complaints by campers who camp in both state and private family campgrounds. They don't understand why it's ok in one situation but not in another.

We at Ace's High RV Park support the House Bill No. 5145 Act Concerning the Use of Portable Wastewater Containers. If you should have any questions, please feel to contact me.
