OPPOSE SB 16 OPPOSE SB 16 OPPOSE SB 16

OPPOSE H.B. 5416 **OPPOSE** H.B. 5416 **OPPOSE** H.B. 5416

Distinguished Members of the Judiciary Committee -

I have attended quite a few rallies at the State Capitol. While there, I was surrounded by a few hundred fellow gun owners. It is completely legal for us to be armed there (in certain areas). There were never any incidents of crime, violence, intimidation or aggression. In fact, many people brought their children (gasp!).

I bring this up because Senate Bill 16 wants to make these kinds of gatherings, where law-abiding gun owners spend a peaceful day expressing their First and Second Amendment Rights in solidarity and brother (and sister) hood.....ILLEGAL!!!!

And why is that? All because the Governor NOW proposes doing "something" about JUVENILE crime??? Let's call SB 16 what it is....an assault on citizens who have done nothing wrong.

I also urge you to **OPPOSE** H.B. 5416

However, I do **SUPPORT** the following bills:

S.B. 388,

H.B. 5415

H.B. 5412

Sincerely

Southington, CT
