Ladies and Gentlemen of the Judiciary Committee,

Please do **not** pass SB 16!!!!! While I agree with the Governor that something needs to be done to combat criminals, he has seriously misfired in choosing to throw in all of these other parts of the law that restrict LAW-ABIDING GUN OWNERS! I looked each of these over carefully, I can't see how they are supposed to reduce crime.

I OPPOSE SB 16.

Respectfully

Southington CT
