11000 - General Fund

Adjustment Type: Reduction

Agency Title: General Agency Reduction - 5%

Agency Description: The budget of the Office of Higher Education consists of very small operational allotments, as well as programmatic allotments which mostly consist of grants and program support costs to the non-profit community.

The vast majority of agency funding is for the Governor's Scholarship Program. While any changes to the funding of this program would be considered policy decisions by the Governor's Office and Legislature, this is the only account in which a reduction option can be assigned to the agency.
