FISCAL IMPACT STATEMENT - BILL NUMBER sSB 20

STATE IMPACT	Minimal Cost, Within Budgetary Resources, see explanation below
MUNICIPAL IMPACT	None
STATE AGENCY(S)	Legislative Management

EXPLANATION OF ESTIMATES:

There will be some additional work by legislative staff of the Energy and Public Utilities Committee to review the information required from the utilities as a result of the passage of this bill as amended.

It is anticipated that this additional work can be handled within the normal budgetary resources of Legislative Management.

Senate "A" makes the bill effective upon passage. It also removes language of the bill that precluded the utility companies from recovering costs of medical plans that offer a health care plan to management, but not to employees, through their rates. It has a minimal cost impact.
