EXPLANATION OF ESTIMATES:

STATE AND MUNICIPAL IMPACT: The fiscal impact resulting from the impact of the study on the State and municipalities can not be determined at this time as the exact nature and extent of the study is uncertain. It is, however, anticipated that any expenses associated with conducting the study can be absorbed through the normal operating budget of the agency. Subsequent to the study, funding for programs, including those run by or through municipalities, may be altered. As the results of the study are not known, no municipal impact can be determined at this time.
