*Current Mission Statement:*

*The purpose of the Quality Improvement (QI) is to provide recommendations to the Council to ensure consistent quality health care for Medicaid population. The Committee serves as a forum for concerns regarding quality of service delivery in the program, advises the Department of Social Services (DSS) on subjects and methods of investigations in the problems that arise, and suggests solutions. The Committee will work with all Medicaid Administrative Service Organizations (ASO's) and DSS to develop recommendations utilizing CQI process.*
