1 Strike out section 2 in its entirety and insert the following in lieu
2 thereof:

3 "Sec. 2. Subsection (a) of section 3-13d of the general statutes is
4 repealed and the following is substituted in lieu thereof:

5 (a) Notwithstanding any other provision in the general statutes or
6 elsewhere to the contrary, the Treasurer shall invest as much of the
7 state's trust funds as are not required for current disbursements in
8 accordance with the provisions of section 45a-203 or the provisions of
9 this part. Notwithstanding the provisions of this section or any other
10 provision in the general statutes or elsewhere to the contrary, the
11 Treasurer shall not invest more than [fifty-five] sixty per cent of the
12 market value of each such trust fund in common stock, except in the

13 event of a stock market fluctuation that causes the common stock
14 percentage to increase and the Treasurer deems it in the best interest of
15 such trust fund to maintain a higher percentage of equities, provided
16 the Treasurer shall not allow the market value of each such trust fund
17 in common stock to exceed [~~fifty-five~~] sixty-five per cent for more than
18 six months after such fluctuation occurs. Investments in real estate
19 investment trusts (REITS) shall be considered alternative investments
20 and not common stock investments under this section. On and after
21 January 1, 2001, or on and after the first adoption of an Investment
22 Policy Statement under section 3-13b, as amended by this act,
23 whichever is later, all trust fund investments shall be made in
24 accordance with the Investment Policy Statement adopted under
25 section 3-13b, as amended by this act. In order to increase the income
26 for each such combined investment fund established pursuant to
27 section 3-31b, the Treasurer may enter into repurchase agreements or
28 lend securities from each such fund, provided that at the time of the
29 execution of the repurchase agreement or the loan at least one hundred
30 per cent of the market value of the security sold or lent shall be
31 received as consideration in the form of cash or securities guaranteed
32 by the United States government or any agency of the United States
33 government in the case of a repurchase agreement or secured by cash
34 or such securities in the case of a loan. At all times during the term of
35 each such repurchase agreement or the term of each such loan the
36 consideration received or the collateral shall be equal to not less than
37 ninety-five per cent of the full market value of the security and said
38 consideration received or said collateral shall not be more than one
39 hundred thousand dollars less than the full market value of the
40 security. The Treasurer may sell call options which would give the
41 holders of such options the right to purchase securities held by the
42 Treasurer at the date the call is sold for investment purposes, under
43 such terms and conditions as the Treasurer may determine. Among the
44 factors to be considered by the Treasurer with respect to all securities
45 may be the social, economic and environmental implications of
46 investments of trust funds in particular securities or types of securities.
47 In the investment of the state's trust funds the Treasurer shall consider

48 the implications of any particular investment in relation to the foreign
49 policy and national interests of the United States."
