Cal. No. 497

"An Act Concerning The Protection Of Children Being Transported To School."

1 In line 1 before "Section" insert "Section 1."

2 After line 11 insert the following:

3 "Sec. 2. Subsection (g) of section 10-183g of the general statutes is
4 repealed and the following is substituted in lieu thereof:

5 (g) A member's complete formal application for retirement, if sent
6 by mail, shall be deemed to have been filed with the board on the date
7 such application is postmarked. No benefit computed under
8 subsections (a) to (d), inclusive, of this section and under subsections
9 (a) to (g), inclusive, of section 10-183aa shall become effective until the
10 end of the calendar month of the filing by the member with the board
11 of a complete formal application for retirement. Such benefit shall
12 accrue from the first day of the month following such calendar month
13 and payment of such benefit in equal monthly instalments shall
14 commence on the last day of the month in which such benefit begins to
15 accrue. Upon a finding that extenuating circumstances relating to the

16 health of a member caused a delay in the filing of the member's
17 complete formal application, and such application is filed on or after
18 July 1, 1986, the board may deem such application to have been filed
19 up to three months earlier than the actual date of the filing. Upon a
20 finding that extenuating circumstances related to the health of a
21 member caused a delay in the filing of an election pursuant to
22 subsection (g) of section 10-183aa, and such election is filed on or after
23 July 1, 1986, the board may deem such election to have been filed as of
24 the date such member's benefits would otherwise have been converted
25 to a normal retirement allowance, provided such member's disability
26 allowance became effective on or before November 1, 1976, and such
27 member attained the age of sixty on or after August 1, 1984."
