117 (b) A twenty-dollar surcharge shall be paid to the registrar for each
118 license to marry in addition to the fee for such license established
119 pursuant to subsection (a) of this section. The registrar shall retain one
120 dollar from each such surcharge for administrative costs and shall

122 following each calendar quarter, to the Department of Public Health.
123 The receipts shall be deposited into an account of the State Treasurer
124 and credited to the General Fund for further credit to a separate

129 section 19a-2a. Such funds shall be allocated for these purposes by the
130 Office of Policy and Management in consultation with the
131 Commissioners of the Department of Social Services and the
132 Department of Public Health based on an evaluation of need, service
133 delivery costs and availability of other funds. No such moneys shall
134 supplant any state or federal funds otherwise available for such
135 services.

136 Sec. 6. Section 7-76 of the general statutes is repealed and the
137 following is substituted in lieu thereof:

138 The fees due registrars of vital statistics for the making of records,
139 copies and endorsements relating to births and deaths, and marriages,
140 when the residence of the parents of the child or of the deceased or of
141 either party to a marriage is in some other town in this state than that
142 in which the birth, death or marriage occurred, shall be paid by such
143 other town except as they relate to vital statistics of inmates of any
144 state institution. All bills for such fees shall be submitted by such
145 registrars to such other towns on or before February first of each year,

146 provided if a bill amounts to less than fifty dollars, no bill shall be sent
147 and the amount shall not be due. If the registrar of vital statistics of
148 any town or city receives a salary for the performance of his duties, the
149 amount of fees due under the provisions of this section shall be paid to
150 such town or city.

151 Sec. 7. Section 7-191 of the general statutes is repealed and the
152 following is substituted in lieu thereof:

153 (a) The commission shall hold at least two public hearings on the
154 proposed charter, charter amendments or home rule ordinance
155 amendments; one prior to the beginning of any substantive work on
156 such charter, charter amendments or home rule ordinance
157 amendments, and one after the draft report to the appointing authority
158 has been completed, but not submitted, after which hearings the
159 commission may amend such report. The commission may hold such
160 other public hearings as it deems necessary.

161 (b) The commission shall submit its draft report, including the
162 proposed charter, charter amendments or home rule ordinance
163 amendments, to the clerk of the municipality, who shall transmit such
164 report to the appointing authority. The appointing authority shall hold
165 at least one public hearing on the draft report and shall hold its last
166 hearing [within] not later than forty-five days [of] after the submission
167 of the draft report to such clerk. [Within] Not later than fifteen days
168 after its last hearing, the appointing authority shall make
169 recommendations to the commission for such changes in the draft
170 report as it deems desirable.

171 (c) If the appointing authority makes no recommendations for
172 changes in the draft report to the commission within such fifteen days,
173 the report of the commission shall be final and the appointing
174 authority shall act on such report. If the appointing authority makes
175 recommendations for changes in the draft report to the commission,
176 the commission shall confer with the appointing authority concerning
177 any such recommendations and may amend any provisions of the

178 proposed charter, charter amendments or home rule ordinance
179 amendments, in accordance with such recommendations, or the
180 commission may reject such recommendations. In either case the
181 commission shall make its final report to the appointing authority
182 [within] not later than thirty days after receiving such
183 recommendations.

184 (d) [Within] Not later than fifteen days after receiving the final
185 report, the appointing authority, by a majority vote of its entire
186 membership, shall either approve the proposed charter, charter
187 amendments or home rule ordinance amendments or reject the same
188 or separate provisions thereof. [Within] Not later than forty-five days
189 after a vote of the appointing authority to reject such matter, a petition
190 for a referendum thereon, signed by not less than ten per cent of the
191 electors of such municipality, as determined by the last-completed
192 registry list thereof, and filed and certified in accordance with the
193 provisions of section 7-188, may be presented to the appointing
194 authority. [Within] Not later than thirty days after approval by the
195 appointing authority or the certification of such a petition, the
196 proposed charter, charter amendments or home rule ordinance
197 amendments shall be published in full or in summarized form if
198 authorized by the appointing authority at least once in a newspaper
199 having a general circulation in the municipality and the complete
200 charter shall be made available at the municipal clerk's office.

201 (e) The appointing authority shall, by a majority vote of its entire
202 membership, determine whether the proposed charter, charter
203 amendments or home rule ordinance amendments shall be submitted
204 to the electors for approval or rejection at a regular election or at a
205 special election warned and held for that purpose, which shall be held
206 not later than fifteen months after either the approval by the
207 appointing authority or the certification of a petition for a referendum.

208 (f) The proposed charter, charter amendments or home rule
209 ordinance amendments shall be prepared for the ballot by the

210 appointing authority and may be submitted in the form of one or
211 several questions; and, if approved by a majority of the electors of the
212 municipality voting thereon at a regular election or if approved by a
213 majority which number equals at least fifteen per cent of the electors of
214 the municipality as determined by the last-completed active registry
215 list of such municipality at a special election, such proposed charter,
216 charter amendments or home rule ordinance amendments shall
217 become effective thirty days after such approval unless an effective
218 date or dates are specified therein, in which event the date or dates
219 specified shall prevail.

220 (g) Every proposed charter, amendment or amendments or home
221 rule ordinance or amendment or repeal of a home rule ordinance
222 approved at any regular or special election held on or after November
223 5, 1974, and prior to July 1, 1975, shall be deemed to have been
224 effective as of the date of such approval, unless another effective date
225 or dates were specified therein; provided any actions taken by a
226 municipality or any administrative agency or official thereof, under the
227 provisions of its charter or home rule ordinance in effect immediately
228 prior to the date of such approval, between the date of such approval
229 and July 1, 1975, shall be deemed valid.

230 (h) [Within] Not later than thirty days after the approval by the
231 electors of any proposed charter, charter amendments or home rule
232 ordinance amendments, the town or city clerk shall file, with the
233 Secretary of the State, (1) three certified copies thereof, with the
234 effective date or dates indicated thereon, and (2) in the case of the
235 approval of charter or home rule ordinance amendments, three
236 certified copies of the complete charter or ordinance incorporating
237 such amendments. The Secretary of the State shall distribute two
238 copies to the State Library, where a file of such charters, charter
239 amendments and home rule ordinance amendments shall be kept for
240 public inspection.

241 Sec. 8. Section 12-100 of the general statutes is repealed and the

242 following is substituted in lieu thereof:

243 All products of cuttings on classified land shall be taxed with a yield
244 tax as provided in sections 12-97 and 12-98, except material cut for
245 domestic use, which shall be limited to fuel and the construction of
246 fences, buildings or other improvements which tend to develop the
247 property of the owner and increase its taxable value, when such
248 material is used by the owner of such land, or by a tenant with the
249 permission of such owner, upon property belonging to such owner
250 which is taxable in the same town as the timber land from which such
251 material was removed. If such material is sold or otherwise disposed
252 of or transferred to the ownership of other persons, it shall be subject
253 to a yield tax as provided in sections 12-97 and 12-98. Whenever a
254 cutting is made, other than as excepted above, the owner of the land
255 shall file a sworn statement with the assessors and the State Forester of
256 the quantity and stumpage value of all timber cut, before any of it is
257 removed from the land. If the assessors deem the quantity or value to
258 be incorrectly stated, they may themselves determine the quantity cut
259 and stumpage value of the same. If the owner is unwilling to accept
260 their valuation, the matter shall be referred to a special board
261 consisting of the first selectman [and town clerk] of the town in which
262 the land is located and the State Forester, and the decision of said
263 board with regard to quantity and value shall be final. Upon the
264 valuation thus determined, a yield tax as provided in sections 12-97
265 and 12-98 shall be paid by the owner of the land. If it is necessary to
266 remove any products of a cutting before the operation is completed,
267 the owner of the land shall deposit with the tax collector a sufficient
268 sum to cover the estimated yield tax. When the cutting is completed,
269 such tax shall be levied as herein provided and the balance of such
270 deposit, if any, returned. If the products of a cutting have been
271 unlawfully removed, the owner of the land and the owner of the
272 timber shall be jointly liable to the town for the full value of both land
273 and timber.

274 Sec. 9. Section 33-183 of the general statutes is repealed and the

275 following is substituted in lieu thereof:

276 Seven or more persons of lawful age, inhabitants of this state, may,
277 by written articles of agreement, associate themselves together for the
278 purposes of trade or for carrying on any lawful mercantile, mechanical,
279 manufacturing or agricultural business within this state, and, when
280 such articles of association have been executed and filed in the office of
281 the Secretary of the State, the franchise tax provided by section 33-187
282 paid to, and such articles of association approved by, said secretary,
283 [and a copy thereof certified by said secretary filed and recorded in the
284 office of the town clerk in the town in which the association's principal
285 office is located,] such persons shall become a corporation and enjoy all
286 the powers and privileges and be subject to all the duties, restrictions
287 and liabilities of other corporations, except so far as the same may be
288 limited or enlarged by this chapter.

289 Sec. 10. Section 33-188 of the general statutes is repealed and the
290 following is substituted in lieu thereof:

291 [Within] Not later than thirty days after the first meeting of the
292 association, the board of managers shall prepare a report, setting forth
293 the name of the association, the principal office of the association, the
294 names of the respective business and residence addresses of the board
295 of managers and officers of the association, the amount of capital stock,
296 the par value of the shares, and the number of shares issued, together
297 with a statement that such shares are fully paid or, if not fully paid, a
298 statement of the amount payable in respect thereof, which report shall
299 be filed and recorded in the office of the Secretary of the State, [and in
300 the office of the town clerk of the town in which the association's
301 principal office is located; and, on] On or before the tenth day of March
302 in each year thereafter, the board of managers shall prepare a like
303 report of the same facts as they existed on the first day of such March
304 and the same shall be filed and recorded in the office of the Secretary
305 of the State, [and the office of the town clerk of the town in which the
306 association's principal office is located.] All the statements provided

307 for in this section shall be signed and sworn to by a majority of the
308 board of managers.

309 Sec. 11. Section 33-268 of the general statutes is repealed and the
310 following is substituted in lieu thereof:

311 The trustees of each Methodist Church shall be elected by ballot by
312 the members of such church, of legal age, on the second Monday of
313 October of each year, at the usual place of worship of such church; or
314 in such other manner as the discipline of the Methodist Church may
315 prescribe. Notice of such election shall be given from the pulpit of such
316 church on at least two Sundays preceding or by having such notice
317 posted on the door of the place of worship by the clerk of the board of
318 trustees at least fifteen days next preceding the time of election, and
319 such trustees shall hold their office until their successors are elected.
320 The polls of such election shall remain open for at least one hour after
321 the time designated in such notice and, in case of failure to elect on the
322 day named in such notice, the election may be held on any subsequent
323 day of the same month after legal notice thereof. If a vacancy occurs in
324 the board of trustees, it may be filled at any special meeting called for
325 that purpose, after giving the notice provided for in this section. At
326 each election there shall be appointed by the electors present a
327 chairman and clerk, who shall act jointly as inspectors of election,
328 receive and count the votes for such trustees and certify under oath
329 who have received the majority of the votes. [; which certificate shall
330 be deposited with and kept on file by the town clerk.] Whenever the
331 members of any Methodist Church fail to elect trustees as above
332 provided, the quarterly conference of such church may elect trustees to
333 fill the vacancy until the next ensuing annual election; and at each
334 annual election the legal voters shall elect trustees to fill any vacancies
335 for the unexpired terms. Upon the formation of any Methodist Church,
336 the first election of its trustees shall be made by the quarterly
337 conference, and such trustees shall hold office until the next ensuing
338 annual election. Said quarterly conference shall determine the number
339 of trustees to be so elected, which number shall not be more than

340 fifteen nor less than three.

341 Sec. 12. Section 33-271 of the general statutes is repealed and the
342 following is substituted in lieu thereof:

343 The district superintendent or presiding elder and a majority of the
344 district stewards appointed according to the discipline of the
345 Methodist Church, residing in any ecclesiastical district, the whole or a
346 part of which is in this state, and which has been or shall be created by
347 an annual conference of said church as a district superintendent's or
348 presiding elder's district, may organize a corporation by making,
349 signing and acknowledging before some officer competent to take
350 acknowledgments of deeds, and filing [in the office of the clerk of the
351 town in which such corporation is to be located, and a duplicate
352 thereof] in the office of the Secretary of the State, a certificate in writing
353 in which shall be stated: The corporate name of such corporation; the
354 town in such district in which it is to be located; the names, residences
355 and official relations to the district of the persons signing such
356 certificate; the number of trustees, not less than three nor more than
357 fifteen, who shall manage the property and affairs of such corporation
358 for the first year, and their names; and that the object of such
359 corporation shall be to secure the benefits of this section and sections
360 33-272, 33-273 and 33-274.

361 Sec. 13. Section 34-82 of the general statutes is repealed and the
362 following is substituted in lieu thereof:

363 (1) Notwithstanding the provisions of sections 34-300 to 34-434,
364 inclusive, any three or more persons, licensed or authorized to practice
365 a profession by the state of Connecticut, may associate to practice such
366 profession for profit, if the articles of association of the members
367 provide that the association thereby formed and hereby authorized
368 shall have at least three of the following four attributes: (a) Continuity
369 of life so that the death, insanity, bankruptcy, retirement, resignation
370 or expulsion of any member will not cause a dissolution of the
371 association; (b) centralized management so that any one or more but

372 less than all of the members has continuing exclusive authority to
373 make management decisions necessary to the conduct of the
374 professional business for which the association was formed, and so
375 that no member of the association, acting without the authority of the
376 managing member or members, shall have the power to bind the
377 association by his act; (c) limited liability so that the individual
378 members of the association shall not be individually or severally liable
379 for its debts; provided, however, the members shall in no way limit
380 their individual or several liability in the articles of association, or
381 otherwise, for any acts of reckless or wanton misconduct, negligence,
382 malpractice, professional misconduct or tort; and (d) free
383 transferability of interests so that each of its members or those
384 members owning substantially all of the interests in the association
385 have the power, without the consent of other members, to substitute
386 for themselves in the same association a person duly licensed or
387 authorized to practice the profession for which the association was
388 formed who is not a member of the association, or, a modified form of
389 free transferability of interests so that each member of the association
390 can transfer his interest to a person so licensed or authorized who is
391 not a member of the association only after having offered such interest
392 to the association or to the other members of the association at its fair
393 market value as established in the articles of association, or otherwise.

394 (2) The articles of association of any association, formed and
395 authorized pursuant to paragraph (1) of this section, shall expressly
396 state that the association is formed under said paragraph (1) and shall
397 be signed and sworn to by all of the members. The articles of
398 association, duly executed, shall be filed for record with the Secretary
399 of the State, together with a filing fee of twenty-five dollars, [and shall
400 be filed for record in the office of the town clerk of the town wherein
401 the association has its principal offices.] The Secretary of the State [and
402 the town clerk] shall index and keep the documents in files used
403 exclusively for such purpose.

404 (3) Any association formed and authorized under paragraph (1) of

405 this section shall be subject to the laws of the state of Connecticut
406 regulating the practice of the profession of the individual members of
407 the association.

408 (4) The articles of association shall be cancelled when the association
409 is dissolved by all of its members or as otherwise provided in the
410 articles of association. The articles of association shall be amended
411 when (i) there is a change in the name or principal place of business of
412 the association, (ii) the members desire to make a change in any other
413 statement in the articles of association and have adopted such change
414 in the manner provided in the articles of association.

415 (5) No amendment to the articles of association nor any dissolution
416 of the association shall be effective until the amendment or an
417 agreement of dissolution has been duly executed and filed for record
418 with the Secretary of the State, together with a filing fee of ten dollars,
419 [, and shall be filed for record in the office of the town clerk of the
420 town wherein the association has its principal office.]

421 (6) An association formed under this section may become a
422 professional service corporation, in accordance with section 33-182b,
423 by complying with the provisions of chapter 594a and with this
424 subsection. Upon the filing of a certificate of incorporation in
425 compliance with section 33-182c, the association shall file with the
426 Secretary of the State, in such form as the Secretary of the State shall
427 prescribe, a certificate of cancellation of its articles of association and a
428 consent of each member to the association becoming a professional
429 service corporation, together with a filing fee of ten dollars. Upon the
430 filing of such a certificate and consents and the incorporation of the
431 professional service corporation, the association shall become a
432 professional service corporation and the interests therein shall be
433 converted to such number of shares of capital stock of the professional
434 service corporation as the members shall approve. The provisions of
