

General Assembly

Substitute Bill No. 6174

January Session, 2001

AN ACT CONCERNING ENERGY CONSERVATION.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 The Department of Public Utility Control shall, within available
2 resources, conduct a study which consists of an analysis of (1) the
3 natural gas conservation programs currently operating within the
4 department, and (2) the feasibility of third party administration of
5 energy conservation funds and programs. Not later than January 1,
6 2002, the department shall submit a report on its findings and
7 recommendations to the joint standing committee of the General
8 Assembly having cognizance of matters relating to energy, in
9 accordance with the provisions of section 11-4a of the general statutes.

Statement of Legislative Commissioners:

Corrections were made to conform with proper use of language.
