Committee Bill No. 6352

LCO No. 4923

Referred to Committee on Energy and Technology

Introduced by:
(ET)

**AN ACT CONCERNING INTERCONNECTION FOR DISTRIBUTED
ELECTRIC POWER.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 The Connecticut Energy Advisory Board established pursuant to
2 section 16a-3 of the general statutes shall conduct a study of
3 interconnection practices by electric distribution companies and shall,
4 not later than January 1, 2002, report its preliminary findings and any
5 proposed legislative changes to the joint standing committee of the
6 General Assembly having cognizance of matters relating to public
7 utilities. Such study shall analyze, among other things, the following as
8 they relate to interconnection practices: Net metering, assessment of
9 competitive transition assessment charges and exit fees, siting and
10 location issues and environmental requirements.
