"AN ACT CONCERNING COMMUNITY HOUSING DEVELOPMENT CORPORATION DESIGNATIONS."

In line 1, before "The" insert "Section 1."

After line 7, insert the following:

"Sec. 2. Subsection (c) of section 8-30g of the general statutes is repealed and the following is substituted in lieu thereof:

(c) (1) An affordable housing development for which an application is submitted pursuant to this section shall provide that all utilities be installed underground. For purposes of this subdivision, "utilities" means all privately, publicly or cooperatively owned lines, facilities and systems for producing, transmitting or distributing communications, cable television, power, electricity, light, heat, gas, oil, crude products, water, steam, waste, storm water not connected

with highway drainage, and other similar commodities, including fire and police signal systems and street lighting systems, which directly or indirectly serve the public or any part thereof.

(2) Any commission, by regulation, may require that an affordable housing application seeking a change of zone shall include the submission of a conceptual site plan describing the proposed development's total number of residential units and their arrangement on the property and the proposed development's roads and traffic circulation, sewage disposal and water supply."
