1 After line 26, insert the following and renumber the remaining  
2 section accordingly:

3 "Sec. 2. Subsection (a) of section 7-436b of the general statutes is  
4 repealed and the following is substituted in lieu thereof:

5 (a) Any member of fund B of the municipal employees' retirement  
6 system, who, prior to [his] such member's date of employment with a  
7 municipality [which] that is participating in said fund B, served in any  
8 branch of the armed forces of the United States during the times set  
9 forth in section 27-103 shall be credited with the period of such service  
10 to the extent that [he] such member makes contributions to said fund  
11 for all or any part of the period of such service, except that any veteran  
12 who becomes a member on or after October 1, 1984, shall not receive  
13 credit for such war service if [he] such member has received or is  
14 entitled to receive any retirement allowance for the same years of

15 service from the federal government. Such contributions shall be  
16 computed at a rate of two per cent of [his] such member's first year's  
17 salary as such employee, with interest at five per cent per annum,  
18 payable [within] not later than one year of such employment, or on or  
19 before January 1, [1992] 2002, whichever is later, provided such  
20 contributions are made prior to [his] such member's date of retirement.  
21 The period of such service for which contributions to said fund are  
22 made shall be counted for the purpose of computing the amount of  
23 [his] such member's retirement allowance, provided such member  
24 shall have completed ten years of continuous service or fifteen years of  
25 active aggregate service with a participating municipality or shall be  
26 retired prior thereto due to disability incurred in the course of [his]  
27 such member's employment. Any member who purchases credit  
28 pursuant to this section and who later receives a retirement allowance  
29 for permanent and total disability under this part shall, upon [his] such  
30 member's written request, be refunded all such contributions paid  
31 under this section, provided such military service credit did not serve  
32 to increase the amount of disability retirement benefits for which [he]  
33 such member was eligible."
