The following fiscal impact statement and bill analysis are prepared for the benefit of members of the General Assembly, solely for the purpose of information, summarization, and explanation, and do not represent the intent of the General Assembly or either House thereof for any purpose:

---

**OFA Fiscal Note**

**State Impact:**

<b>Fund-Type</b>	<b>Agency Affected</b>	<b>Future</b>
GF - Cost Avoidance	Various	Potential Significant

Note: GF=General Fund

**Municipal Impact:** None

**Explanation**

The resolution denies certain claimants grant awards in excess of \$7,500 and permission to sue. The resolution thereby results in a potential significant cost avoidance for the state to pay for any potential judgments rendered against it, and a potential significant cost avoidance for litigation.<sup>1</sup>

---

<sup>1</sup> The Attorney General (AG) may assign a third party to represent state entities on his behalf. If permission to sue had been granted, the AG could have required the state agencies to hire outside legal counsel at a cost of \$25,000 - \$50,000 per case. The cumulative cost could be significant.
