

General Assembly

Bill No. 6001

May 9 Special Session,
2002

LCO No. 5744

Referred to Committee on No Committee

Introduced by:

REP. LYONS, 146th Dist.

SEN. SULLIVAN, 5th Dist.

**AN ACT CONCERNING AUTHORIZATION OF STATE GRANT
COMMITMENTS FOR SCHOOL BUILDING PROJECTS.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (*Effective from passage*) The Commissioner of Education
2 having reviewed applications for state grants for public school
3 building projects in accordance with section 10-283 of the general
4 statutes, as amended, on the basis of priorities for such projects and
5 standards for school construction established by the State Board of
6 Education, and having prepared a listing of all such eligible projects
7 ranked in order of priority, including a separate schedule of previously
8 authorized projects which have changed substantially in scope or cost,
9 as determined by said commissioner together with the amount of
10 estimated grant with respect to each eligible project, and having
11 submitted such listing of eligible projects, prior to December 15, 2001,
12 to a committee of the General Assembly established under section
13 10-283a of the general statutes for the purpose of reviewing such
14 listing, is hereby authorized to enter into grant commitments on behalf

15 of the state in accordance with said section 10-283 with respect to the
16 priority listing of such projects and in such estimated amounts as
17 approved by said committee prior to February 1, 2002, as follows:

89 subsequently be considered for a grant commitment from the state,
90 provided plans and specifications have been approved by the
91 Department of Education's school facilities unit.

92 Sec. 9. (*Effective from passage*) Notwithstanding the provisions of
93 section 10-292 of the general statutes, as amended, or any regulation
94 adopted by the State Board of Education requiring that a bid not be let
95 out until plans and specifications have been approved by the
96 Department of Education's school facilities unit, the town of Stamford
97 may let out for bid on and commence a project for code improvements
98 (Project Number 135-174 CV) at Stamford High School and shall be
99 eligible to subsequently be considered for a grant commitment from
100 the state, provided plans and specifications have been approved by the
101 Department of Education's school facilities unit.

102 Sec. 10. (*Effective from passage*) Notwithstanding the provisions of
103 section 10-283 of the general statutes, as amended, and any regulation
104 adopted by the State Board of Education requiring that the scope of a
105 school building project be set at the time of application for a school
106 building project grant, the town of New Britain may change the scope
107 of the extension and alteration projects at Lincoln Elementary School
108 (Project Number 089-153 EA), Northend Elementary School (Project
109 Number 089-155 EA) and Vance Elementary School (Project Number
110 089-154 EA) to renovation projects.

111 Sec. 11. (*Effective from passage*) Notwithstanding any provision of the
112 general statutes requiring plan approval by any state agency, the town
113 of Kent shall be eligible for reimbursement as otherwise provided by
114 law for renovations and new construction associated with
115 improvements to Kent Center School (Project Number 068-006 EA).

116 Sec. 12. (NEW) (*Effective July 1, 2002*) (a) Notwithstanding any
117 provision of chapter 173 of the general statutes or any regulation
118 adopted by the State Board of Education pursuant to said chapter 173,
119 the State Board of Education may establish a pilot program for a
120 period of three years that authorizes up to two school construction
121 projects per year using a design-build contract and with the approval
122 of the State Board of Education a town or regional school district may
123 enter into a design-build contract for new school construction and shall

124 be eligible to be considered for a grant commitment and progress
125 payments from the state provided each design phase shall be reviewed
126 and approved for compliance with all applicable codes by local
127 authorities having jurisdiction over such codes. The provisions of
128 section 10-287 of the general statutes relative to bidding all orders and
129 contracts for school building construction shall not apply to any such
130 project.

131 (b) Notwithstanding any provision of chapter 173 of the general
132 statutes or any regulation adopted by the State Board of Education
133 pursuant to said chapter 173, a town or regional school district
134 choosing to use the design-build option pursuant to subsection (a) of
135 this section shall attend a meeting with Department of Education staff
136 prior to executing a design-build contract. The department shall
137 provide the town or regional school district with all of its code
138 checklists and review materials which the town or regional school
139 district shall use as a basis for obtaining plan approval by local officials
140 having jurisdiction over such matters or other qualified code
141 reviewers. It shall be the sole responsibility of the town or regional
142 school district to ensure compliance with all applicable codes.

143 (c) The State Board of Education shall report in accordance with the
144 provisions of section 11-4a of the general statutes to the joint standing
145 committees of the General Assembly having cognizance of matters
146 relating to education and finance on or before January 15, 2006, on the
147 efficiency and efficacy of using the design-build approach to school
148 construction projects.

149 Sec. 13. (*Effective from passage*) Notwithstanding the provisions of
150 section 10-292 of the general statutes, as amended, or any regulation
151 adopted by the State Board of Education requiring that a bid not be let
152 out until plans and specifications have been approved by the
153 Department of Education's school facilities unit, the town of Stamford
154 may let out for bid on and commence a project for alterations and code
155 remedies (Project Number 135-203 CV/A) at Rippowam School and

156 shall be eligible to subsequently be considered for a grant commitment
157 from the state, provided plans and specifications have been approved
158 by the Department of Education's school facilities unit.

159 Sec. 14. (*Effective from passage*) Notwithstanding the provisions of
160 section 10-283 of the general statutes, as amended, or any regulation
161 adopted pursuant to said section, a Waterbury project for work at
162 multiple school facilities eligible to be considered in the amount of
163 \$8,475,000 pursuant to subsection (c) of section 10-283 of the general
164 statutes, as amended by this act, is included in subdivision (1) of
165 section 1 of this act and shall be eligible to be subsequently considered
166 for a grant commitment from the state for such project, provided the
167 school district files an application for such school building project
168 prior to September 30, 2002, and meets all other provisions of chapter
169 173 of the general statutes and any regulation adopted by the State
170 Board of Education pursuant to said chapter.

171 Sec. 15. (*Effective from passage*) Notwithstanding the provisions of
172 section 10-292 of the general statutes, as amended, or any regulation
173 adopted by the State Board of Education requiring that a bid not be let
174 out until plans and specifications have been approved by the
175 Department of Education's school facilities unit, the City of Waterbury
176 may let out for bid on and commence roof replacement projects at
177 Tinker School, Walsh School and Wilson School and shall be eligible to
178 subsequently be considered for grant commitments from the state for
179 such projects, provided plans and specifications have been approved
180 by the Department of Education's school facilities unit.

181 Sec. 16. (*Effective from passage*) Notwithstanding the provisions of
182 section 10-292 of the general statutes, as amended, or any regulation
183 adopted by the State Board of Education requiring that a bid not be let
184 out until plans and specifications have been approved by the
185 Department of Education's school facilities unit, the town of Darien
186 may let out for bid on and commence a project for roof replacement
187 (Project Number 035-107 RR) at Tokeneke School and shall be eligible

188 to subsequently be considered for a grant commitment from the state,
189 provided plans and specifications have been approved by the
190 Department of Education's school facilities unit.

191 Sec. 17. (*Effective from passage*) Notwithstanding the provisions of
192 section 10-292 of the general statutes, as amended, or any regulation
193 adopted by the State Board of Education requiring that a bid not be let
194 out until plans and specifications have been approved by the
195 Department of Education's school facilities unit, the town of
196 Thomaston may let out for bid on and commence a project for asbestos
197 removal (Project Number 140-039 CV) at Center School and shall be
198 eligible to subsequently be considered for a grant commitment from
199 the state, provided plans and specifications have been approved by the
200 Department of Education's school facilities unit.

201 Sec. 18. (*Effective from passage*) Notwithstanding the provisions of
202 section 10-283 of the general statutes, as amended, and any regulation
203 adopted by the State Board of Education requiring that the scope of a
204 school building project be set at the time of application for a school
205 building project grant, the town of Torrington may change the scope of
206 the alteration project at Torrington School (Project Number 0056 A) to
207 a renovation/alteration/addition project, provided such project
208 otherwise meets the requirements set forth in chapter 173 of the
209 general statutes.

210 Sec. 19. (*Effective from passage*) Notwithstanding the provisions of
211 section 10-292 of the general statutes, as amended, or any regulation
212 adopted by the State Board of Education requiring that a bid not be let
213 out until plans and specifications have been approved by the
214 Department of Education's school facilities unit, the town of
215 Waterbury may let out for bid on and commence a project for asbestos
216 removal (Project Number TMP-151-ZFFZ) at H. S. Chase School and
217 shall be eligible to subsequently be considered for a grant commitment
218 from the state, provided plans and specifications have been approved
219 by the Department of Education's school facilities unit.

220 Sec. 20. (*Effective from passage*) Notwithstanding the provisions of
221 chapter 173 of the general statutes and any regulation adopted by the
222 State Board of Education concerning ineligible costs for school
223 building projects, Regional School District Number 8 shall be eligible
224 to receive reimbursement for costs associated with an off-site extension
225 of the water system that will serve RHAM High School (Project
226 Number 208-018 EA).

227 Sec. 21. (*Effective from passage*) Notwithstanding the provisions of
228 subsection (b) of section 10-287 of the general statutes or any
229 regulation adopted by the State Board of Education requiring all
230 orders and contracts for school building construction receiving state
231 assistance to be awarded to the lowest responsible qualified bidder
232 only after a public invitation to bid, the town of Wallingford is not
233 required to bid the work for the hazardous material abatement phase
234 on the extension and alteration project (Project Number 148-134 EA) at
235 Moses Beach School and shall be eligible to subsequently be

239 Sec. 22. (*Effective from passage*) Notwithstanding the provisions of
240 section 10-292 of the general statutes, as amended, or any regulation
241 adopted by the State Board of Education requiring that a bid not be let
242 out until plans and specifications have been approved by the
243 Department of Education's school facilities unit, the town of New
244 London may let out for bid on and commence an alteration and
245 technology project (Project Number 095-072 A/TCH) at the Central
246 Administration Office and shall be eligible to subsequently be
247 considered for a grant commitment from the state, provided plans and
248 specifications have been approved by the Department of Education's
249 school facilities unit.

250 Sec. 23. (*Effective from passage*) Notwithstanding the provisions of
251 subsection (b) of section 10-283, as amended, excluding portable

252 classrooms from school construction grant eligibility that create a new
253 facility or cause an existing facility to be modified so that the portable
254 buildings comprise a substantial percentage of the total facility area,
255 the town of Madison may submit a project grant application and shall
256 be eligible to subsequently be considered for a grant commitment from
257 the state for the purchase of portable classrooms that comprise the
258 Madison Town Campus Kindergarten Center.

259 Sec. 24. (*Effective from passage*) Notwithstanding the provisions of
260 section 10-292 of the general statutes, as amended, or any regulation
261 adopted by the State Board of Education requiring that a bid not be let
262 out until plans and specifications have been approved by the
263 Department of Education's school facilities unit, the town of Granby
264 may let out for bid on and commence Phase 3 of 3 (Project Number
265 056-042-EA/RR) at Granby High School and shall be eligible to
266 subsequently be considered for a grant commitment from the state,
267 provided plans and specifications have been approved by the
268 Department of Education's school facilities unit.

269 Sec. 25. (*Effective from passage*) Notwithstanding the provisions of
270 chapter 173 or any regulation adopted by the State Board of Education
271 pursuant to said chapter 173, the town of Westbrook shall be eligible to
272 receive a grant for replacement of the boiler and HVAC system at
273 Westbrook Junior/Senior High School (Project Number 154-017 EA).

274 Sec. 26. (*Effective from passage*) Notwithstanding the provisions of
275 section 10-292 of the general statutes, as amended, or any regulation
276 adopted by the State Board of Education requiring that a bid not be let
277 out until plans and specifications have been approved by the
278 Department of Education's school facilities unit, the town of Weston
279 may let out for bid on and commence a project on septic and athletic
280 fields at Bisceglie Scribner Park and shall be eligible to subsequently be
281 considered for a grant commitment from the state, provided plans and
282 specifications have been approved by the Department of Education's
283 school facilities unit.

284 Sec. 27. (*Effective from passage*) Notwithstanding the provisions of
285 section 10-292 of the general statutes, as amended, or any regulation
286 adopted by the State Board of Education requiring that a bid not be let
287 out until plans and specifications have been approved by the
288 Department of Education's school facilities unit, the town of Hartford
289 may let out for bid on and commence projects for underground oil
290 storage tank replacement for Annie Fisher School (Project Number 064-
291 232 CV/OT), Weaver High School (Project Number 064-233 CV/OT),

311 for a grant commitment from the state, provided plans and
312 specifications have been approved by the Department of Education's
313 school facilities unit.

314 Sec. 29. (*Effective from passage*) Notwithstanding the provisions of
315 chapter 173 of the general statutes or any regulation adopted by the
316 State Board of Education concerning square footage limitations, the

317 town of Colchester shall be eligible for a grant for a project to increase
318 square footage at the Jack Jackter Elementary School (Project Number
319 028-035).

320 Sec. 30. (*Effective from passage*) Notwithstanding the provisions of
321 section 10-287 of the general statutes or any regulation adopted by the
322 State Board of Education requiring school construction projects to be
323 publicly bid and be advertised in a newspaper having circulation in
324 the town in which construction is to take place, the town of Willington
325 may commence a project to install room air conditioners at Hall
326 Memorial School (Project Number 160-0031 A) and subsequently be
327 considered for a grant commitment from the state, provided plans and
328 specifications have been approved by the Department of Education's
329 school facilities unit.

330 Sec. 31. (*Effective from passage*) Notwithstanding the provisions of
331 section 10-283 of the general statutes, as amended, or any regulation
332 adopted by the State Board of Education, the Phase I HVAC and

336 work at Wilbur Cross High School (Project Number 093-327) and
337 James Hillhouse High School (Project Number 093-326) in New Haven.

338 Sec. 32. (*Effective from passage*) Notwithstanding the provisions of
339 section 10-292 of the general statutes, as amended, or any regulation
340 adopted by the State Board of Education requiring that a bid not be let
341 out until plans and specifications have been approved by the
342 Department of Education's school facilities unit, the town of New
343 London may let out for bid on and commence alteration and
344 technology projects (Project Number 095-067 A/TCH) at Winthrop
345 Elementary School and (Project Number 095-071 A/TCH) at Edgerton
346 Elementary School and shall be eligible to subsequently be considered
347 for a grant commitment from the state.

348 Sec. 33. (*Effective July 1, 2002*) Notwithstanding the provisions of

349 subsection (e) of section 10-265h of the general statutes, (1) an amount
350 of up to six hundred thousand dollars in unexpended funds for the
351 grant period ending June 30, 2001, awarded to the City of Waterbury
352 under subsection (g) of section 13 of public act 99-242 shall be available
353 for expenditure for an additional two years, and (2) an amount of up to
354 one million one hundred thousand dollars in unexpended funds for
355 the grant period ending June 30, 2002, awarded to the City of
356 Waterbury under subsection (h) of section 32 of public act 99-242 shall
357 be available for expenditure for an additional year.

358 Sec. 34. Subsection (c) of section 10-283 of the general statutes is
359 repealed and the following is substituted in lieu thereof (*Effective July*
360 *1, 2002*):

361 (c) No school building project shall be added to the list prepared by
362 the Commissioner of Education pursuant to subsection (a) of this
363 section after such list is submitted to the committee of the General
364 Assembly appointed pursuant to section 10-283a unless (1) the project
365 is for a school placed on probation by the New England Association of
366 Schools and Colleges and the project is necessary to preserve
367 accreditation, [or] (2) the project is necessary to replace a school
368 building for which a state agency issued a written notice of its intent to
369 take the school property for public purpose, or (3) for the fiscal year
370 ending June 30, 2002, the project is in a town operating under state
371 governance. The provisions of this subsection shall not apply to
372 projects previously authorized by the General Assembly that require
373 special legislation to correct procedural deficiencies.

374 Sec. 35. (NEW) (*Effective July 1, 2002*) Notwithstanding any
375 provision of chapter 173 of the general statutes or the regulations
376 adopted under said chapter 173, a local board of education in a town
377 that is a distressed municipality, as defined in section 32-9p of the
378 general statutes, with a population greater than ninety thousand shall
379 be eligible to submit a consolidated school construction grant
380 application for multiple school projects and be eligible to receive a

381 single grant equal to the state share of total project costs. Based on a
 382 determination by the Office of Policy and Management that any such
 383 municipality is unable to reasonably issue debt to finance the local
 384 share of such costs, discretionary federal block grant funds may be
 385 deemed to have financed the local share of total project costs without
 386 regard to any zone restrictions that may limit the actual expenditure of
 387 such funds to specific schools. Notwithstanding the provisions of
 388 subdivision (18) of section 10-282 of the general statutes, projects
 389 whose eligibility is provided for under this section may be considered
 390 renovations for purposes of receiving state grants.

391 Sec. 36. (*Effective from passage*) Notwithstanding the provisions of
 392 subdivision (1) of subsection (a) of section 10-286 of the general
 393 statutes, or any regulation adopted by the State Board of Education
 394 requiring that the highest projected enrollment for a school building
 395 project be calculated for the eight year period from the date the local or
 396 regional board of education files a notification of a proposed school
 397 building project with the Department of Education, the town of
 398 Stratford may expand the period for the calculation of its projected
 399 enrollment for the extension and alteration project (Project Number
 400 138-082 EA) at Chapel Street Elementary.
